DUTIES AND RESPONSIBILITIES

The authority, duties and responsibilities of the Department are set forth in Title 41 of the Idaho Code. In essence, these duties and responsibilities are the protection of the public interest in the broad field of insurance, through the enforcement of the provisions of the Idaho Code.

The more specific duties include the admittance of insurers to transact insurance in Idaho; the examination of companies; the acceptance and review of annual statements and examination reports submitted by the insurers; the licensing of agents, brokers, solicitors, adjusters and consultants; the acceptance of and review of insurance policies, forms and rates submitted by the insurers for filing and/or approval; the examination of agents, brokers, consultants, managers, adjusters, promoters; promulgating rules and regulations necessary for or as an aid to the effectuation of any provision of the code; issuing orders and notices and holding hearings as necessary for the enforcement of the code; the collection of all taxes and fees, fines and penalties and the remittance of all such monies to the State Treasurer; submitting annually to the Governor a report of all monies received and disbursements made by the Department; reporting annually to the Governor on the status of all insurers transacting insurance in Idaho; retaining all necessary records and filings; and making recommendations for amendments to the insurance law, which, in its opinion, are desirable.

OBJECTIVES AND GOALS

The goal of this Department is to administer the insurance laws and regulations in a manner that will give the greatest possible protection to the public and to assist them in obtaining the full benefit of their insurance coverages.

The objectives for the ensuing year are to continue to offer our services to the public and to the companies whenever needed; to strive for a better education of all our Idaho residents in the field of insurance, including their rights and benefits under their insurance contracts, and how to choose those contracts wisely; to scrutinize the insurance industry for any unethical, illegal or misleading practices; and to maintain sound financial requirements for insurance companies.

CONDENSED LISTING OF LEGAL REFERENCES RELATING TO THE DEPARTMENT

1. Idaho Code, Title 41, and Chapter 23, Title 49.
2. Current Regulations (through No. 34) and Bulletins (through 80-3) published by the Department of Insurance, State of Idaho.
3. Official opinions of the Attorney General relating to insurance through official Attorney General Opinion No. 78-35.

MAJOR POLICY ADOPTIONS AND CHANGES DURING THE FISCAL YEAR ENDING JUNE 30, 1980

REGULATION OF MEDICARE SUPPLEMENT POLICIES

The director of insurance held several hearings on sales practices and policy provisions relating to "medi-gap" health insurance policies. Amendments to Regulation 24 (advertising of accident and sickness insurance) and Regulation 30 (individual accident and sickness disability insurance minimum standards) were proposed by the director. The amendments would set minimum standards for medi-gap policies, in compliance with the Baucus Amendment establishing federal standards for the certification of medicare supplement policies, and require that any policies advertised as medicare supplements or medi-gap policies must meet the minimum standards. During the course of the hearings, it appeared that in some respects the federal minimum standards were too low, and the federally approved buyer's guide is not sufficiently readable to be of assistance to people eligible for medicare by reason of age in determining whether they need a medicare supplement policy and in choosing which policy best fits their needs.

The two main problems in regulation of the medicare supplement insurance business are certain deceptive practices of agents in selling medicare supplement insurance and decreasing coverage offered by the medicare plan itself. The director issued a list of prohibited agents' sales practices and will monitor sales practices in cooperation with consumer organizations and organizations representing the interests of the elderly, to reduce deceptive sales practices in the state. The problem of medicare coverage itself still remains. While the medicare agency advertises that it pays 80% of reasonable charges for outpatient doctor care, in fact it pays an average of 60% of the actual doctors' charges for such treatment in Idaho. The coverage available through medicare for hospitalization has steadily decreased because of an increasing deductible for that coverage, which must be paid by the patient. The director has adopted a policy, which will be reflected in the amendment to Regulation 30, that medicare supplement policies may not contain a deductible greater than $100 and that the supplement policy must cover the medicare deductible in excess of $100; further that payment for outpatient doctors' charges may not be based on medicare determined reasonable charges, but must be based on either the usual and customary fee for such charges in Idaho or 133% of the average medicare determined reasonable charge for such services in Idaho. This policy will insure that a private insurer who advertises medicare supplement policies paying 20% of reasonable charges will pay 20% of the usual and customary charge.

The director will continue to work on this problem through liaison with the medicare agency and regulation of medicare supplement policies and agent practices, to aid the elderly in obtaining adequate health insurance protection and in obtaining the full protection that is advertised to them.

GOVERNOR EVANS' PRODUCT LIABILITY ADVISORY COMMITTEE

Pursuant to Governor Evans' instructions, the director appointed a Product Liability Advisory Committee to draft the Product Liability Tort Reform Act. The committee was composed of members from the Idaho Trial Lawyers Association, the defense lawyers, consumer associations, retail and manufacturing trade associations, and the insurance industry. The committee was chaired by the Department's chief deputy. The result of the committee's work was the Idaho Tort Reform Act which was recommended to Governor Evans, submitted to the legislature, and enacted in the 1980 legislative session. The contents of the bill are reported in the summary of legislation relating to the Department of Insurance. In addition, the director developed a statistical reporting form requiring insurance companies to report statistics regarding product liability insurance claims and lawsuits.

ENCOURAGEMENT OF RIDESHARING ARRANGEMENTS

Governor Evans' policy of encouraging Idaho commuters to participate in ridesharing arrangements was strengthened by providing incentives for such participation. The director of insurance coordinated the work of several departments in the State to develop legislation establishing incentives for participation in ridesharing arrangements. The bill was enacted in the 1980 legislative session, and the contents of the bill are reported in the summary of legislation relating to the Department of Insurance.

SUMMARY OF LEGISLATION ENACTED IN 1980 RELATING TO THE DEPARTMENT OF INSURANCE

1. 1980 IDAHO SESSION LAWS, Chapter 225, pp. 499-504.

This act is a comprehensive product liability tort reform bill. It added a new Chapter 13 to Title 6, Idaho Code. A product seller is liable for harm caused by its product during that product's "useful safe life". Useful safe life is the time during which the product would normally perform or be stored in a safe manner, with a rebuttable presumption that the useful safe life expires 10 years after delivery of the product. Idaho's comparative responsibility law applies to product liability claims, and the act defines several types of conduct which affect comparative responsibility. Evidence of changes in design, technological feasibility, or manufacturing methods, which changes occur after the product was manufactured and delivered, is not admissible to prove that the product was defective at the time of manufacture. The primary liability for an injury caused by a product rests with the ones in the chain of design, manufacture and distribution who created the defect or knew or had reason to know of the defect. Those with primary liability must provide a defense for other product sellers in the chain of design, manufacture, and distribution. If a claimant would be unable to enforce a judgment against the product seller who has primary liability, then the claimant may proceed against other product sellers. The complaint shall ask for such damages as are reasonable, and no dollar amount may be requested in the complaint.

2. 1980 IDAHO SESSION LAWS, Chapter 371, pp. 953-956.

This act encourages the use of ridesharing arrangements for transportation to and from work or school. Ridesharing arrangements include carpools and vanpools with up to 15 people riding. The vehicle is not a commercial vehicle or a bus, and ridesharing arrangements are exempt from motor carrier laws. An employer may provide incentives to employees to participate in ridesharing arrangements without liability to the employer, unless the employer owns or leases the vehicle. Insurance companies may not increase premiums, cancel policies, or refuse to insure a vehicle solely because it is used in a ridesharing arrangement. Ridesharing arrangements are nonprofit, and are exempt from special taxes and license requirements. A government agency may allow its employees to use the agency's motor vehicles in ridesharing arrangements if the employees pay the costs of operating the vehicle.

3. AJM - RESOLUTION IN SUPPORT OF THE McCARRAN-FERGUSON ACT - Adopted.

This joint memorial requests that the Congress of the United States reject any legislation amending the McCarran-Ferguson Act to diminish in any way the states' rights to regulate the business of insurance.

4. 1980 IDAHO SESSION LAWS, Chapter 167, pp. 357-359.

This act amends Idaho Code Sections 41-1046 and 41-1047, to provide that agents' licenses and company appointments will be renewed every two years, as suggested by Governor Evans' Management Task Force.

5. 1980 IDAHO SESSION LAWS, Chapter 154, pp. 323-4.

This act amends Section 41-233, Idaho Code, to allow discretion to the director of insurance in granting or denying a stay of administrative action, and allows appeal to the district court in the event a requested stay is denied.

6. 1980 IDAHO SESSION LAWS, Chapter 275, pp. 718-9.

This act amends Section 41-3608, Idaho Code, to increase the Insurance Guaranty Association's liability for covered claims in the event of an insolvency from $50,000 to $300,000 per claim.

7. 1980 IDAHO SESSION LAWS, Chapter 274, p. 717.

This act amends Section 41-3327, Idaho Code, to provide additional priorities for distribution in liquidation proceedings.

8. 1980 IDAHO SESSION LAWS, Chapter 133, pp. 292-3.

This act amends Section 41-228, Idaho Code, to allow examination expenses of an insurer as an offset only against premium taxes payable to the Department of Insurance, State of Idaho, and not as an offset against premium taxes payable to any other department of the State.

9. 1980 IDAHO SESSION LAWS, Chapter 60, pp. 117-8.

This act amends Section 41-3244, Idaho Code, to provide for a minimum fee of $50.00 for filing a fraternal benefit society annual statement, and an additional fee of $25.00 for each 200 certificates in force in the State.

10. 1980 IDAHO SESSION LAWS, Chapter 268, pp. 704-706.

This act amends Sections 49-2307, 49-2309, and 49-2319, Idaho Code, to increase fees payable by motor clubs for the issuance of a certificate of insurance, continuance and reinstatement, and to increase the license fees of a motor club agent, so that those fees are consistent with the fees charged to an insurer or an insurance agent for similar services.

11. 1980 IDAHO SESSION LAWS, Chapter 109, pp. 247-8.

This act amends Section 41-1052, Idaho Code, to allow general lines agents or brokers who are also life agents to carry their license on their person rather than displaying it at their place of business.

12. 1980 IDAHO SESSION LAWS, Chapter 110, pp. 248-9.

This act amends Section 41-1060, Idaho Code, to clarify that the license fee for vending machines was increased from $10.00 to $25.00 in amended Section 41-401, Idaho Code, enacted in 1979.

13. 1980 IDAHO SESSION LAWS, Chapter 215, pp. 487-8.

This act amends Section 41-3423, Idaho Code, to allow hospital and professional service corporations to maintain cash on deposit in banks or trust companies outside the State of Idaho.

14. 1980 IDAHO SESSION LAWS, Chapter 270, p. 711.

This act is an appropriation bill to appropriate $613,000 to operate the Department of Insurance from July 1, 1980, through June 30, 1981. $464,800 was designated for personnel costs and $148,200 was designated for operating expenditures.

SUMMARY OF LEGISLATION RELATING TO INSURANCE INTRODUCED IN 1980 AND NOT PASSED

4. S1430aa - discrimination against handicapped persons - added to existing law to provide that persons who have a sensory, mental or physical handicap cannot be denied a contract of insurance solely because of the presence of that handicap, but that a higher premium may be charged if a higher risk in insuring such person can be established with actuarial evidence. Passed the Senate, failed to pass the House Health and Welfare Committee.

5. Group Insurance - amended existing law to require out-of-state group health and life insurance policies covering beneficiaries who are Idaho residents to comply with the Idaho Insurance Code and to be approved by the director of insurance. This bill was submitted by the Governor upon recommendation from the director of insurance but failed to be submitted to any legislative committee for consideration.

6. S1431 - fraternal benefit societies - amended Section 41-3245, Idaho Code, to exempt foreign fraternal benefit societies from corporation laws governing admission of foreign corporations; to require fraternal benefit societies to comply with the standard nonforfeiture law for individual deferred annuities; and to set a fee for filing articles of incorporation of a fraternal benefit society with the secretary of state. INSURANCE DEPARTMENT LITIGATION

The Idaho Department of Insurance was a party to three cases under litigation in the District Courts of the State of Idaho during 1979-1980.

1. State of Idaho, Department of Insurance, ex. rel. Monroe C. Gollaher, Director, vs. Lawrence A. Wolfley was a Petition for Review of an Administrative Hearing. The case was decided in favor of the Department with the result that Mr. Wolfley's insurance agent's license was revoked.

2. State of Idaho, Department of Insurance, ex. rel. Monroe C. Gollaher, Director, vs. Northwest Federation of Independent Businesses, Inc., et al, is a case commenced by the Insurance Department to enjoin activities of the Defendant which the Director has alleged are the unlawful transacting of insurance without a Certificate of Authority from the Insurance Department. The Defendants have denied that they are transacting insurance, and have counter-claimed that they are an employers' association which has established an employee benefit plan pursuant to the Employee Retirement Income Security Act of 1974. The Defendants have alleged that they have complied with all applicable provisions of the Employee Retirement Security Act of 1974, and that they are not subject to state regulation, and have prayed for a declaratory judgment to that effect. This case has been going through discovery in preparation for a trial on the merits.

3. There was also litigation pending during the 1978-79 fiscal year relating to a routine triennial examination of a domestic insurer, Sierra Life Insurance Company.
